Revision of Projected Distribution from ETFs

Please be advised that the Projected Distribution announced in "Projected Distribution from ETFs" dated Oct 21, 2026 has been revised as follows.

Book Closing: Oct 24, 2026

Fund Name (Code)	Previous Projected Amount	Revised Projected Amount
Global X Japan Metal Business ETF（2646）	¥3,000.00 per 100 shares	¥4,800.00 per 100 shares

*Each ETF is shown in the unit of Base Price of the fund.

<Reason for Revision>
After the previous projection was announced, the number of outstanding shares changed as a result of Creation/Redemption. Accordingly, the projected distribution has been revised as shown above.

(Note) Projected Distribution is calculated as of Oct 21, 2026 and is subject to change if the underlying assumptions are revised.
